Designed by renowned golf architect Perry Maxwell in 1924, the course at Cherokee Hills Golf Club is rich in Oklahoma history. The course was recently redesigned by Tripp Davis and has proven to be one of the most beautiful and challenging courses in the state. Four teeing areas beckon golfers of all skill levels to traverse tree-lined fairways, dramatic elevation changes, demanding bent grass greens, natural rock outcroppings and babbling brooks. Cherokee Hills is a true challenge for the most accomplished golfer, yet it affords the weekend player an enjoyable experience.

Join us and network with decision makers around the state, find new customers for your products and/or services and establish new business relationships. Cherokee Hills Golf Club is located at the Hard Rock Hotel & Casino at 777 W. Cherokee Street in Catoosa, OK.
