February 1, 2012

Dear Friends of Safety & Health,

The Oklahoma Safety Council (OSC), an affiliate chapter of the National Safety Council, is a not-for-profit, non-governmental membership organization. Our mission is to provide compliance and proactive safety training, education and resources to members of the council and to the general public. Our ultimate objective is a significant reduction in the number of injuries, illnesses and fatalities and the resulting economic loss. The OSC represents a membership of more than 600 businesses throughout our state. Some of our large members include The Noble Foundation, York International, OG&E, Integris Health, ONEOK, PSO/AEP, Hertz, Dolese, ConocoPhillips, Tinker Air Force Base, Holly/Sunoco, The Williams Companies and OPUBCO.

Each year the OSC hosts the largest safety and health conference in Oklahoma. The 2012 Oklahoma Safety & Health Conference will be jointly hosted by the Oklahoma Safety Council and the Oklahoma Department of Labor to promote workplace safety. The event will be held on June 13-15 at the Hard Rock Hotel & Casino in Catoosa, OK. The event will be kicked off with our annual golf tournament at the Cherokee Hills Golf Course on June 13. Over the course of two days, more than 450 hundred participants will have the opportunity to hear speakers on a variety of safety and health related topics, pursue ongoing education accreditation, participate in courses designed for OSHA compliance, network with peer professionals and visit with vendors displaying the latest safety and health products and/or services.

As a 2012 Conference Sponsor, your organization will be recognized as a leader and supporter of the safety and health industry in the great state of Oklahoma. Our four tiered sponsorship approach makes sponsorship possible for organizations of varying sizes. Depending upon the level of sponsorship, your organization will be recognized through a variety of different communications. In addition to electronic, printed and verbal recognition, there are several other benefits to being a conference Sponsor (see attached Sponsorship Form).

To encourage participation in the event, the OSC encourages our sponsors to invite (or sponsor) a few of your customers at the OSC's conference to demonstrate support for their safety & health needs and concerns. Upon request, you will also be supplied with a number of conference brochures that you can use to pass out amongst your customers. Not only does the conference provide significant value for our Sponsors, it also helps the OSC accomplish our mission to provide compliance and proactive safety training, education and resources to members of the council and to the general public. The attached sponsorship form further describes the benefits of sponsoring this great event. We trust you will agree that this represents a valuable opportunity for your organization to gain recognition as a supporter of safety and health. We hope that your organization will choose to partner with us and become a Sponsor of the 2012 Oklahoma Safety & Health Conference.

Now is the time to include a sponsorship within your 2011-2012 budget. Please fill out the attached "Sponsorship" form and FAX it to 405-843-8201 by February 10, 2012 in order to incorporate your company logo on the OSC website.

Thank you for your interest and attention. If you have any questions, please contact me directly at 405-848-8626 or e-mail at kelliw@oksafety.org Thank you for your support of the OSC!

Sincerely,

Kellie Warrior
